

Dear Parents,

Believe is just around the corner and we wanted to make sure you were as informed as possible before signing up your child to join us on this amazing weekend event specifically designed for Jr. high students (grades 6-8).

In case you've never heard of Believe before, let me give you a quick overview. It's a weekend event produced by Christ In Youth, an organization that has been putting together age-intentional events all over the world for almost 50 years (you can check out their website at www.ciy.com/believe). It takes place in a large auditorium, where your child will worship alongside tons of other students their age. It's literally an experience they'll get nowhere else. It's also one of the safest and most well-organized events for students in the country!

The God of the universe wants to make CONTACT with us, and He provides access to His awesome power at any time and for all people through this wonderful thing called prayer. But what is prayer? How does it work? When should you do it? What words should you use? These are all questions that junior high students are asking. Believe's CONTACT tour will help young people all over the U.S. better understand the amazing gift of prayer and how it can make an impact on their lives.

Believe also offers small group times in which your child can connect with adult leaders and other students. This is one of the most important things we can do as a youth ministry. Next to your influence as a parent, building those bonds between our leaders and their peers is the No. 1 thing that will help your child grow in their relationship with Christ.

We're excited for Believe and the amazing experiences we'll have over the weekend. If you have any questions that can't be answered by visiting www.ciy.com/believe, then please contact me at:
